- Product family: **Interface**
- Product type: **IP**

2. Wählen Sie **Z** für **Company Name**.

3. Finden Sie die folgenden Suchkriterien ein:

Company
Zennio

Product Name
IP Router CL

Order number
ZSYIPRCL

The screenshot shows the KNX search engine interface. A 'SEARCH ENGINE' overlay is present with two dropdown menus: 'Choose a product family' set to 'Interface' and 'Choose a product type' set to 'IP'. Below this, a 'Company Name' dropdown is set to 'Z', with a keyboard layout showing 'Z' highlighted. The main page shows 'KNX Certified Products' and a table of results. The first row is highlighted:

Company	Product Name	Order Number
Zennio	IP Router CL	ZSYIPRCL
